O God of Creation, you have blessed us with the changing of the seasons.

As we welcome the autumn months, may the earlier setting of the sun remind us to take time to rest.

May the brilliant colors of the leaves remind us of the wonder of your creation.

May the steam of our breath in the

cool air remind us that it is you

who give us the breath of life.

May the harvest from the

fields remind us of the

abundance we have been

given and bounty we are

to share with others.

May the dying of

summer's spirit

remind us of your

great promise

that death is

temporary and

life is eternal.

We praise

you for your

g o o d n e s s

f o r e v e r

and ever,

in the name

of Jesus Christ.

Amen.
