Writing into the Light

"Show me the hidden things"

"Talking to paper is talking to the divine. Paper is infinitely patient. Each time you scratch on it, you trace part of yourself, and thus part of the world, and thus part of the grammar of the universe. It is a huge language, but each of us tracks his or her particular understanding of it."

-Burghild Nina Holzer

Please join us for a writing workshop of discovery and delight into our hidden, shared life that makes us fully human led by **Ellen Gabardi, Marion Barnwell, and Beth Foose.**
