

MUSIC AT

St. Andrew's
Episcopal Cathedral

FALL 2025

Your Cathedral in the City

SPRING 2026

WELCOME

Dear Friends,

Music is what makes St. Andrew's St. Andrew's. For generations, it has shaped our worship, enriched our community, and connected us to the beauty of God's presence.

In 2025, we joyfully celebrate the 100th anniversary of organized choral music making at St. Andrew's—a century of voices raised in song, carrying forward a tradition that continues to inspire. This season, we are delighted to present a vibrant lineup of concerts, recitals, and special services in the Cathedral, alongside our Music in the City series produced in collaboration with the Mississippi Museum of Art.

Supporting musicians in this manner is one way St. Andrew's participates in Mississippi's artistic economy, strengthening the cultural life of our city and region.

We invite you to join us—whether in the Cathedral's sacred space or the Museum's creative setting—for music that lifts the spirit, delights the ear, and responds to God's ongoing works of creativity in the world.

Peace,

Jessica Nelson

Organist and Choirmaster, St. Andrew's Episcopal Cathedral
