STEWARDSHIP 2026

FAITH

ST. ANDREW'S EPISCOPAL CATHEDRAL

WORKS

Our stewardship campaign is underway! Thank you in advance for your support. You should have received a card in the mail, and you can also give your support online at standrews.ms/stewardship. As in years past, we're adding new entries to our St. Andrew's Stories video series. This week, we've got Stephen Stray, who shares how the church has acted as a family while he's lived across the globe from his childhood home in Australia, and how serving in the Cathedral Choir has enriched his life. Watch on our website, social media, or in your weekly E-Pistle email.

"You see one's faith and one's actions were working together, and faith was made complete by what was done."
—James 2:22

ON THE COVER: "The Healing of Ten Lepers" by French painter James Tissot. Painted sometime between 1886 and 1894, the painting is held in European Collection of the Brooklyn Museum in New York.
